MS SPITSBERGEN

Named after the Arctic crown of Norway, Hurtigruten has a long history in the Svalbard-Spitsbergen wilderness, reaching all the way back to 1896 and the Sports Route. MS Spitsbergen was completely renovated in 2016, with high standards and a fresh Scandinavian design, both in the cabins and the public areas. This upgrading has included changes that lighten the craft´s environmental footprint, making her even better suited to sailing in challenging polar waters.

On board activitiy highlights: *Photography Workshop, Kayak Certification, Yoga, Cooking Workshop.*
